# ATARI COMPUTER CAMPS

The camp experience that lasts a lifetime.

Dear Campers and Parents,

Get ready for a summer full of fun at Atari Computer Camps this year! For 1983, there are seven outstanding locations across the country. These very special places were picked for their extensive sports facilities, comfortable dormitories and classrooms, beautiful surroundings, as well as their proximity to major cities and airports. Gymnasiums, pools, tennis courts, green playing fields, spacious lounges, recreation halls, and art facilities await campers at every site. Barbeques, picnics, campfires, movies, and field trips — it's all part of the plan. There's sure to be an Atari Computer Camp not too far away from you this summer.

On the following pages you will find a description of each location. Once you enroll, you will receive details on exactly what to bring to camp, how to get there, and all other important information. Don't hesitate to call our office toll-free at 800/847-4180 if you have any questions (New York State or outside U.S. — call collect 212/889-5200).

We're looking forward to having you join us for a summer filled with learning and fun!

# Camp Atari- New England

## Location:

The beautiful countryside of Greenfield, Massachusetts, has been selected as the New England site for Atari Computer Camps. Stoneleigh-Burnham School, home of our New England camp, is located in the heart of the Pioneer Valley, literally within minutes of historic Deerfield and the Five College System. It is 45 minutes from Bradley Field in Hartford, Connecticut, and is easily accessible from any portion of New England.

## Facilities & Activities:

Situated on 300 acres of verdant land, Camp Atari—New England offers a variety of excellent facilities. Scheduled sports activities include swimming in a sparkling new outdoor pool, tennis, soccer, softball and volleyball on beautifully maintained playing fields, and aerobics in the gymnasium.

Horseback riding is available at the Stoneleigh-Burnham Stables for a slight additional charge. Our arts & crafts program, conducted in a most unique studio loft, allows campers to create projects using everything from paints and paper to pottery wheels and a kiln. Other facilities include traditional proscenium stage for drama, stagecraft, and talent shows, plus a campus library stocked for plenty of leisure-time enjoyment.

## Evening Activities:

The fun never stops at Camp Atari—New England. In the evening there

are campfires and sing-alongs, even moonlight swims. Get ready for barbecues, movies, talent shows, and contests, too, even guest speakers from the forefront of the computer field.

## Living Accommodations:

Living accommodations at Camp Atari—New England are traditional dormitory style, with fully carpeted rooms and hallways that lend a homey atmosphere. As in all Atari Computer Camps, boys and girls are housed separately with roommates of their own age, and are supervised by mature, live-in

counselors. There is a bathroom on every hall. There are large, comfortable lounges outfitted with couches, and a piano, and beautiful, old-fashioned parlors where campers can get together in an informal setting. Laundry facilities are available in the dorms and our linen service will provide bed linens and two towels per week. Each camper will need to bring a pillow.

## Dining:

Three delicious, nutritionally balanced meals will be served every day in our glass-enclosed, private dining room. A policy of unlimited seconds ensures that Atari campers will have plenty of energy for their active days. All meals are prepared to conform to Atari's rigid specifications and standards of excellence.

## Health Services:

A resident registered nurse is on duty to staff the camp infirmary, with Franklin County Hospital just five miles away. In addition, Atari Computer Camps has access to a physician on call 24 hours per day.

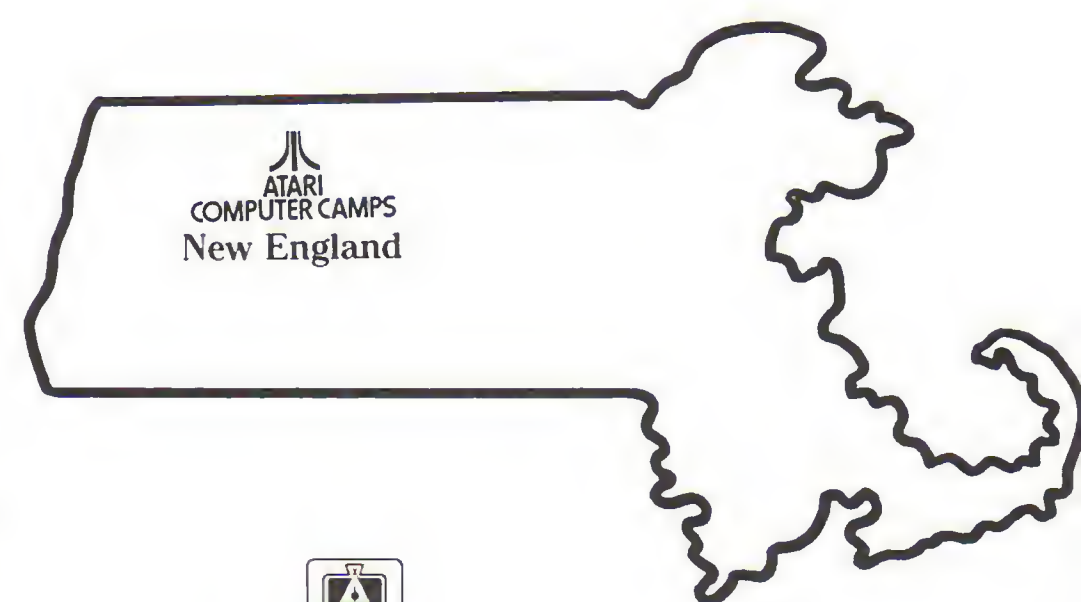

## Religious Services:

Atari Computer Camps are non-sectarian and offer services on a non-

compulsory basis to all denominations and religions.

For more information on Camp Atari—New England, call our office toll-free at 800/847-4180. In New York State or outside the United States, phone 212/889-5200. You may also write to: Atari Computer Camps/40 East 34th St./New York, NY/10016.

# Camp Atari-Midwest

## Location:

The recreational summer wonderland of the Land of 10,000 Lakes has been selected as the midwestern Atari Computer Camps site. Located in the suburbs of Faribault, Minnesota, the Shattuck School is one of the most prestigious boarding schools in the nation. Its park-like, country atmosphere lends itself to a perfect blend of fun and learning, the hallmark of Atari Computer Camps. A 45 minute drive to the Minneapolis-St. Paul Airport and 90 minute drive to the Iowa border, the 300 acre campus is easily accessible to most Midwesterners.

## Facilities & Activities:

Camp Atari—Midwest enjoys the use of a private lakefront with water skiing, boating, and picnic lunches at water's edge. A beautiful nine-hole golf course is another unique offering of this very special camp. (Golf enthusiasts must bring their own clubs.) In addition, a huge gymnasium, eight all-weather tennis courts, an indoor swimming pool, and numerous playing fields provide the setting for a full range of individual, team and water sports. Nature hikes are also planned as part of the summer fun. Add to this a grand auditorium with exquisite stained glass windows, complete with stage, piano, and professional lighting system, an arts & crafts room, and an extensive campus library and you have all the ingredients for a terrific summer experience.

The computer classrooms are

air-conditioned and equipped with the latest ATARI Home Computer equipment. All activities are planned and monitored by competent Atari Computer Camps instructors, coaches, and counselors.

## Evening Activities:

Barbecues, campfires, moonlight swims, movies, contests, dramatic presentations, and songfests are among the many activities scheduled for the evening hours. Guest speakers from the forefront of the computer field will also be visiting the camp.

## Living Accommodations:

A picturesque stone building called Whipple Hall will be the traditional

dormitory-style home for Camp Atari—Midwest campers. Boys and girls will board separately and are closely supervised by mature camp counselors. Bunked two or three to a room, campers are asked to bring their own bath towels; our linen service will supply bed linens. Convenient laundry facilities are available.

Our pine-paneled lounge, featuring pocket billiards and ping pong is perfect for recreation time and informal get-togethers. There is also a fully equipped Universal weight room available for Atari Computer Campers' exclusive use right in the dormitory building.

## Dining:

Campers and camp staff will dine together in the charming Refectory Dining Hall. Tasty, nutritionally balanced meals prepared in accordance with Atari's high standards will be served buffet style three times a day, and campers may help themselves to as many servings as they wish.

## Health Services:

Atari Computer Camps has a resident registered nurse on staff in the camp infirmary. In addition, a doctor is on call 24 hours a day at District #1 Hospital, which is just a few minutes away.

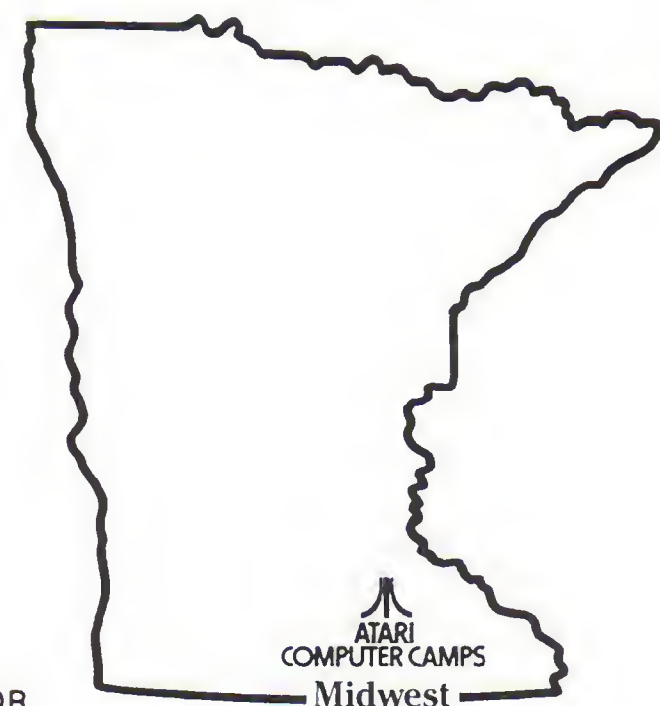

## Religious Services:

# Camp Atari-Old West

## Location:

Tucked in the rolling hills of San Francisco's scenic East Bay, Camp Atari—Old West is located at the Athenian School in historic Danville, California. Only half an hour's drive from the Oakland International Airport, our Northern California site offers both a country atmosphere as well as accessibility to the cultural resources of the Bay Area.

The 120-acre rural campus adjoins Mount Diablo State Park, affording unique opportunities for campers to enjoy and explore the wilderness, literally a stone's throw from their dormitory.

## Facilities & Activities:

As with all Atari Computer Camps, a well-rounded program of summer fun awaits campers in Northern California. In addition to computer instruction and free time, air-conditioned classrooms equipped with the latest ATARI Home Computer equipment, campers will enjoy Athenian's tennis courts, gymnasium, and Olympic-size swimming pool. Green, grassy playing fields are the setting for soccer, football, softball, and other team sports. There's volleyball, too, and a stage and piano in the dining hall for memorable dramatic presentations and talent shows. Aerobics as well as arts & crafts, are also a part of the program, and horseback riding is available at a slight additional charge. Hiking through Mount Diablo State Park is another unique opportunity most campers won't want to miss. Of course, all activities are organized and supervised by competent coaches, instruc-

tors, and counselors.

The library, used during quiet time, is well-stocked with over 15,000 volumes and commands a magnificent view overlooking a canyon. The science lab, complete with telescopes, provides yet another exciting facet to the already full program at Camp Atari—Old West.

## Living Accommodations:

Seven wooded and charming dormitories are the home for the Atari Computer Campers this summer. There are two campers per room (three in some of the larger rooms), and boys and girls are housed

separately with roommates of their own age. Bathrooms are located on each hall, and campers are supervised by mature live-in counselors. Each dorm has its own laundry facilities which youngsters use free of charge—campers need only bring one week's worth of clothing. Linens and towels will be supplied. The Commons, an informal meeting place where campers can relax, boasts a fireplace, movie screen, small stage, ping pong, and game tables.

## Evening Activities:

At Camp Atari—Old West, the day doesn't end when the sun goes down. Youngsters will enjoy campfires, barbecues, songfests, contests, and guest speakers from the forefront of the computer field. How about a movie or maybe a moonlight swim?

## Dining:

Campers enjoy three meals a day (unlimited seconds), served buffet style

style in the Athenian Dining Hall. Large, glass windows afford a splendid view of the grassy wilderness beyond. Cathedral ceilings and a huge fireplace add to the rustic charm of this most unusual and expansive dining hall. All meals are nutritionally balanced and prepared to conform to Atari's rigid specifications and standards of excellence.

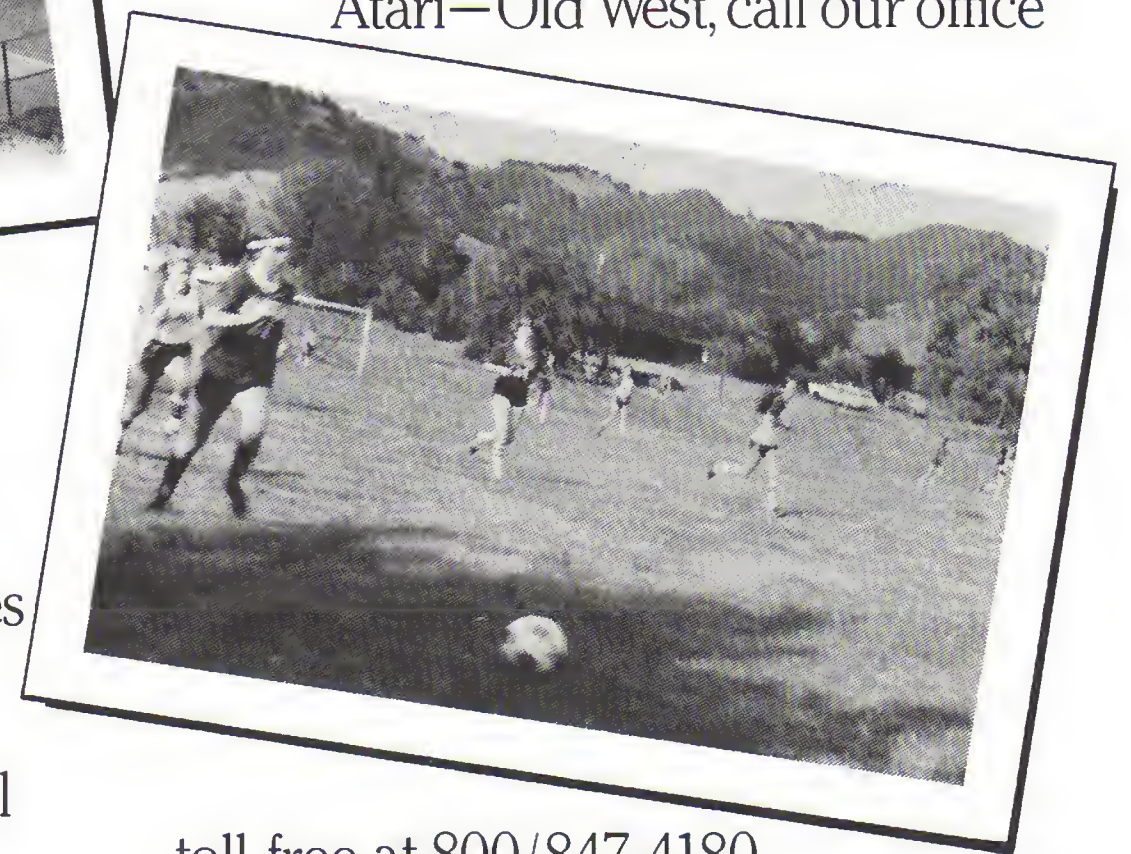

## Health Services:

A resident registered nurse is on duty at camp, and the infirmary is fully equipped to handle minor medical needs. A major hospital (Kaiser) is only fifteen minutes away, and a physician is on call 24 hours a day.

## Religious Services:

Atari Computer Camps are nonsectarian and offer services on a non-compulsory basis to all denominations and religions.

For more information on Camp Atari—Old West, call our office

# Camp Atari-Pacific

## Location:

Situated high on a mesa with a panoramic view of the surrounding mountains, Mission Bay, San Diego Harbor, and the azure Pacific, the University of San Diego is a magnificent location for Camp Atari-Pacific. The University, beautifully designed in Spanish Renaissance architecture, is only 15 minutes from Lindbergh Field, San Diego's major commercial airport.

## Facilities & Activities:

In a city synonymous with "summertime" and "recre-

ation," Atari campers will enjoy many hours of recreational activity during their non-computer time. With its expansive playing fields, basketball and volleyball courts, Olympic-size swimming pool, running track, handball and tennis courts, and fully equipped weight room, the possibilities are virtually limitless. Aerobics classes, an arts & crafts facility, access to the University's extensive library, and a stage and rehearsal area with a piano for dramatic productions and talent shows represent some of the facilities and activities that will make a summer at Camp Atari-Pacific truly unforgettable.

In addition, at least one off-campus field trip will be planned during each session. Possibilities include an excursion to Sea World aquatic amusement park, the world-renowned San Diego Zoo, Pacific Ocean beaches, or a major league baseball game.

## Evening Activities:

Barbecues, campfires, movies, contests, dramatic presentations, and songfests are among the many activities scheduled for the evening hours. Guest speakers from the forefront of the computer field will also be visiting the camp.

## Living Accommodations:

Camp Atari-Pacific campers will be housed in spacious suite-style dormitories, two to a room, with boys and girls boarding separately on alternate floors. All bedrooms and living areas are fully carpeted, and many of the rooms have a scenic view of Mission Bay and the open Pacific. There is a central lounge-style living area with

comfortable furniture, one to every four bedrooms. In addition, a separate lounge building features ping pong tables, a game room, and various meeting rooms designed for quiet study or informal social gatherings. Coin-operated laundry facilities are also located in the lounge building. Our linen service will provide bath towels, bedsheets, a pillow, and a blanket for each camper.

## Dining:

Variety is the key to dining at Camp Atari-Pacific. Campers will have their choice of entrees and beverages at each meal, with a salad bar and sandwich fixings available at every lunch and dinner. Meals are served buffet style three times a day, and campers may have as many servings as they wish. High ceilings and arched win-

dows create a bright, airy atmosphere for mealtime gatherings.

## Health Services:

Every Atari Computer Camp employs a resident registered nurse to staff the camp infirmary. In addition, a doctor is on 24 hour call just ten

minutes away at Sharp Hospital.

## Religious Services:

Atari Computer Camps are nonsectarian and offer services on a non-compulsory basis to all denominations and religions.
